Reference Advertising

HE who buys space in the City Directory buys advertising permanency. Every day thousands of business men all over the country search its classified sections to find where nationally advertised goods may be purchased. City Directory ("Reference") Advertising is the completing girder in the bridge between dealer and consumer, and should be part of all national and local campaigns.

CLASSIFIED DIRECTORY

ITS PRACTICAL USE IS TO GIVE

Information—as to any firm or individual in business, classified according to their business or profession.

Information—as to Associations, Clubs and Societies, when and where they meet and the name and address of their secretary.

Information—as to Corporations and Chartered Companies, dates of their incorporation, their authorized capitalization and their officers.

Information—as to Churches, their location and pastor together with the pastor's address.

Information—as to where to obtain a list of prospects for your products or service.

Information—as to where to obtain any service that your community has to give.

Information—as to where to buy advantageously when competitive bids are required for any given service or product.

—Finally—

If your neighbor has it to sell, give him your business.

Like consideration from your neighbor adds prosperity to both.
